What could make the Great Land even better? Our new “North to Alaska!” program, immersing you in everything Alaska — from the region’s famous seafood to a Klondike gold rush festival and a host of local guests.

A Taste of Alaska. Experience the finest fresh local seafood — in our dining rooms, specialty restaurants and special themed events on deck — and sample specialties from the best local eateries like the Alaska Fish House, Tracy’s King Crab Shack and the Skagway Fish Company.

The Real Alaskans. Be treated to an exciting multi-media presentation on the life and adventures of Alaskan lumberjacks and listen to “Tales from the Wild” with *New York Times* bestselling author and renowned storyteller Nick Jans as he shares the poignant story of Romeo the wolf.

Returning favorites. Libby Riddles, the first woman to win the grueling Iditarod dog sled race, comes aboard to tell her inspirational tales — as well as hilarious storyteller, Steve Hites and knowledgeable onboard naturalists.

A WORLD OF WONDER

Princess has partnered with Discovery Communications™ to bring you fascinating new experiences with “Discovery at Sea” — a wonderful variety of onboard activities and games for all ages as well as thrilling adventures ashore.

Tales of the Deadliest Catch. As seen on the popular Discovery program, Deadliest Catch, Captain David Lethin and his shipmates from the Aleutian Ballad share their true-life adventures and experiences in the Bering Sea in pursuit of crab.

Discovery at Sea Experiences. Test your knowledge of Alaska, sea life, stars and more. Search for Bigfoot, try to bust myths with experiments inspired by MythBusters and take the How It’s Made backstage tour of how production shows come to life on board a ship.

Shark Week. It’s not just one week any more. Celebrate all summer long with fun games and activities like “Guess the Number of Shark Teeth,” “Did the Shark Eat It?”, 4-D models and more!

Animal Planet for Kids. Learn about Alaskan wildlife, enjoy dress up, put on a puppet show, and get artistic with new arts and crafts.

Discover Even More Ashore.

For special Discovery and Animal Planet shore adventures, see [Shore Excursions on page 14](#).

A young guest meets a sleddog puppy; crew members who have appeared on Discovery’s Deadliest Catch share their real-life crabbing tales; kids learn about the sea with Winnie the Whale.

A GLACIAL PACE

They are among the world's greatest natural wonders — glaciers, the massive rivers of ice that advance and retreat over vast stretches of time. And on our top-rated [Voyage of the Glaciers](#) itinerary, you'll have plenty of time to see these ice-age marvels up close with two days in some of Alaska's best glacial waters on every voyage — including Glacier Bay National Park, a UNESCO World Heritage Site.

Left to right:

A calving glacier in Glacier Bay National Park; National Park rangers come on board in Glacier Bay to offer insights

On our signature Voyage of the Glaciers sailings, you'll enjoy:

- Sailing over 500 miles farther north across the Gulf of Alaska and into Prince William Sound.
- Glacier Bay National Park with park rangers and onboard naturalists.
- A second glacier-viewing experience among the 16 glaciers at College Fjord, or Hubbard Glacier — the longest tidewater glacier in Alaska.
- The best frontier ports in Alaska — Skagway, Juneau and Ketchikan.

Combine these sailings with 3 to 8 nights on land for a 10- to 15-night Land & Sea Vacation. See pages 10–13 for details.

DESIGNED TO INSPIRE AWE

Up here in Alaska, the opportunities for adventure are limitless. Yet you'll be dazzled by the possibilities you find on board, because each Princess ship is a sensational destination all its own.

Strolling into the bustling central Atrium, you'll feel the last traces of stress melt away. In the town square-style Piazza there's a glass of wine with your name on it at Vines, or an Italian-style coffee at the International Café. You'll hear a pianist playing your favorite song and feel your breathing ease into the rhythm of freedom.

That feeling will only grow day after day — the sense that this was just what you needed, that you are exactly where you need to be. Between the wonderful friendly service you receive from the crew and the casually elegant ambience on board, you'll soon find that coming back to your Princess ship after each day ashore may be what you look forward to most of all.

Interior double

Our most affordable option, the interior stateroom features two twin beds that make up into a queen-size bed.

Princess offers a selection of staterooms that provide full wheelchair-turning space. In addition, these staterooms include a roll-in shower equipped with grab bars and a fold-down bench seat, an easy access closet and a writing desk with wheelchair access. Cabins range from approximately 237 to 383 square feet based on stateroom category. Visit princess.com for more details.

Note: Floor plans, amenities and stateroom images represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Square footage varies based on stateroom category and deck location. Stateroom views are considered unobstructed unless noted otherwise. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Upper berth and bed ladder capacities are 250 lbs. Staterooms that can accommodate rollaways have two lower berths and one upper berth, and the staterooms can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts cabin space. Call 1-800-774-6237 for more information.
